Education

Institute of Engineering & Technology DAVV, Indore

Bachelor of Engineering in Information Technology

CGPA: 8.41

2025 (5th Semester)

St. Paul Higher Secondary School, Khandwa

Senior Secondary (class XII) | 2020

Percentage: 89.4

(PCM)

Sophia Convent School, Khandwa

Higher Secondary (class X) | 2018

Percentage: 92.4

Relevant Coursework

Major coursework: Introduction to Object-Oriented Programming, Data Structures & Algorithms(C++), Computer Organization, Operating System, Introduction to Database Systems, Discrete Computational Structures,

Skills

Programming: C/C++, JavaScript (ES5/ES6), Java

Front-End Technologies: HTML5, CSS3, ReactJS, TailwindCSS

Back-End Technologies & Databases: Node.js, Express.js, GraphQL

Databases: MongoDB, MySQL

Tools: VS Code, Git, GitHub, Postman, Ngnix

Projects

Siddhi's Blogify | *React, Tailwind CSS, Redux Toolkit, Node.js, Express.js, MongoDB, JWT, Google OAuth*

Developed a responsive blog application using the MERN stack (MongoDB, Express.js, React, Node.js). Implemented secure authentication with JWT and Google OAuth, advanced search functionality, and a dark mode for enhanced user experience. Admin panel includes full CRUD operations for managing posts, comments, and users with visually appealing UI.

Twitty (Twitter Clone) | *MongoDB, Express.js, React, Node.js, JWT, TailWindCSS*

Developed a full-stack Twitter clone featuring user authentication, post creation, likes, comments, and follow functionality. The application includes a responsive and interactive UI similar to Twitter. The key features include user authentication with JWT, real-time posts, likes, comments, follow and unfollow users

Finance Tracker | *React, Firebase*

Developed a personal finance tracker using React and Firebase. Features include user authentication, transaction management, financial dashboards, and data visualization with charts. The application is designed for an intuitive user experience.

Task Manager | *React, Redux Toolkit*

Developer a task manager which can add tasks, edit them and also delete them when completed.

Achievements & Extra-Curriculars

-
- Successfully solved over 350 data structure and algorithm problems on platforms like LeetCode and Geeks for geeks, enhancing proficiency in problem-solving and algorithmic thinking.
 - Pursuing Web development internship at codeclause.in
 - Part of the MEDIA TEAM at E-CELL and Flic (finance club).
 - Attended WittyHacks, Google Devfest and participated in open source and hackathons.
 - Certified by SCALAR for completing the MYSQL course.
